

Dive St. Malo, Brittany: Saint Malo Plongee Emeraude (SMPE)

Famous for having the largest tidal range in Europe and a rich and violent maritime history, the Bay of St. Malo (Ille et Vilaine, Brittany) offers an incredible variety of of dive sites : rocks, pinnacles, walls and, of course, wrecks !

Want to dive in Brittany? . . . Welcome to the St. Malo dive center!

Fully equipped, the Center is specially designed for the comfort of those wishing to dive with us. Our team of professional instructors are there to guide you, be it for a first try-dive, one of our many training courses or to explore the fascinating underwater sites that await you.

Experienced or beginner, from the age of 8, as a family, amongst friends, alone or as a group : we have the solution for you !

Just choose what suits you best from our “menu” – and step into our world !

The Saint Malo Plongee Emeraude dive club is open year round from mid-January to mid-December

As part of its environmental policy, the SMPE adheres to the principles of “Echo Gestes”!
